Our Center is governed by

BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS

3rd Quarter

From Your Manager

Our Center is warm and active, welcoming new members each week. Our membership has grown to over 460! We try to provide something for everyone and are always looking for new ways to meet your needs, interests, and abilities. We offer 20 different programs during the day and three evening programs. Come in and make new friends. Rediscover the reasons you decided to join us.

Our Center certainly has a decorative summer appearance. Thank you to Carole and Rod Schultz for the beautiful plantings at our sign, in the shrubbery beds and in the planters. They donated, planted, and continue to provide tender care for the plants. We appreciate both their generosity and efforts to beautify our property. Also thank you to the many other volunteers who contribute to our Center. All of you make a difference!

Our Center has been fortunate to receive a third state grant! We have been funded to replace the floor coverings in the Legacy Room, basement, and lobby as well as provide a stair glide to the basement and new sofas for the lobby. We anticipate these projects to begin in early fall. Through the grant, the basement floor will be cushioned to provide for physical activities. As the result, it has been necessary to transition the Flea Market to the Center's non-profit Thrift Shop. The Shop will be opened to the public and PCC members each Tuesday from 9 am until 1 pm.

Let's Celebrate! The Center will be celebrating its tenth anniversary in early fall after the completion of the renewal efforts made possible by the grant. The Pennridge community will be invited to join our membership in celebrating our success with an Open House. Stay tuned! Enjoy your summer and visit your Center often!

> NEWSLETTER CHANGES <<

Here is the first issue of our quarterly issue! We hope you like it - it has been reorganized and it is easier to follow through the three months.

As a third month is now included, there will always be items missed, as things change or are added post-printing. Please keep checking the Center lobby for items posted, as well as our website (pennridgecenter.org), or call the Center. Also, another great place to keep up to date is by attending the Membership Meetings on the third Wednesday of each month at noon.

Our Organization

From Your Assistant Manager

Our center is pleased to announce that on Wednesday, October 25, 2017, we are having the number one Neil Diamond Impersonator, Real Diamond - Curtis DiDomizio. Tickets are on sale now for \$5, which include hoagies for lunch, at the Pennridge Community Center until sold out. This show is going to sell out fast, so don't wait to buy your ticket. Once all the tickets are sold out, there **will not** be any more available. When you buy your ticket, hold on to your stub because this is your ticket to enter the event. All tickets must be paid at time of purchase. For more information, check out this Newsletter or call the Center.

On Wednesday, July 12, 2017, we are having our Annual Picnic. This year we hired "Big Guy's Hot Dogs" food truck. We will be playing the jukebox and games. Come out and see old friends and meet some new ones. More details of this event are listed in the July events on Page 5.

A big thanks goes out to everyone who supported our event featuring Dave DeLuca - Frank Sinatra and Friends impersonator. We couldn't have done it without you and the following volunteers: Sue Overbaugh, Frances Lange, Ted Heimbach, Dale Roades, Peggy Richards, Ed McManus, Pat Strogis, Pat Andrews, Pat Siwert, and Pat Guth.

In our 4th quarter Newsletter (October / November / December), I am going to run a contest for our Members. This contest will take you on an adventure that will have you laughing and exploring new things. The prize or prizes will be really good too! Please play the game and have fun! You won't regret it.

Have a Safe and Happy Summer!

Peggy Lewis

From Your President

Summer has finally arrived! I hope you are enjoying the beautiful weather.

Have you noticed the beautiful plantings around the Center? We are most appreciative of the efforts of Carol and Rod Schultz who not only purchased the plants but also planted them and are conscientiously taking care of them. Thanks to Carol and Rod for improving our appearance!

Our Center has been very busy the past two months. Thanks to Debbie and Peggy for arranging the special patriotic program and the tribute to Frank Sinatra as well as Baseball Day. These programs were most enjoyable and well attended. Check the Newsletter and the announcements in the Lobby for the special programs in the next three months. These programs are enjoyable, interesting, and provide an opportunity to socialize.

As you may be aware, the Pennsylvania Department on Aging recently awarded a grant to our Center to provide new carpeting in the Legacy Room, lobby, and hall; a new floor covering in the basement room; a stair glide to the basement; and new sofas for the lobby. I am asking for your patience and cooperation as these projects are begun in the next several weeks. We will probably experience some minor interruptions in our programs and activities.

Your Center is now 10 years old! We expect to celebrate the success of your Center in early October. If you have suggestions about activities for this program, please contact either Debbie or me.

Please remember to sign in on Copilot. It is very important that our attendance report be as accurate as possible. It will have an impact on our future funding. If you are hesitant about using the procedures for Copilot, ask for help. It is very important that everyone signs in!

Have you paid your membership fee for 2017? There are many benefits with membership, such as special activities as well as reduced fees for activities. Check the many activities offered.

We are always searching for new programs and activities. Share your suggestions. Your Center is here for you to take advantage of all it can offer!

Have a pleasant summer! Stay Cool!

Buster Guth

—- Presentation —-

Indiana Jones will be here!

No, but Dr. Stephen R. Phillips will be at the Center on August 9 at 1:00 pm.

His talk on ancient Egypt forensic anthropology will take you to Egypt about 2,000 years ago, to explain in non-technical terms the basics in identifying bones as a female versus a male, how to approximate age at death, and what the ancient bones can tell us about a person.

A highlight of this talk is a re-examination of a possible 3,300 year-old royal murder case.

Dr. Phillips specializes in the analysis of ancient Egyptian and modern skeletal remains, mummies and mummification techniques, as well as the application of forensic anthropology in the study of our human past.

Dr. Phillips' talks are infused with some humor making his talk enjoyable while learning about the past. Come to the Legacy Room and experience this unique presentation.

Our Center

Who We Are

The Pennridge Community Center is one of the four full-service senior citizen centers operated by the BUCKS COUNTY ASSOCIATION FOR RETIRED AND SENIOR CITIZENS (BCARSC), a non-profit corporation. The BCARSC is funded through the PA Department on Aging, and through self-supporting projects. BCARSC is an equal opportunity employer.

All programs and services provided at the four Centers are offered without regard to race, religion, political affiliation, or personal background.

The Pennridge Community Center serves all citizens ages 55 and older who reside in the boroughs of Dublin, Perkasio, Sellersville, Silverdale, and Telford and the townships of Bedminster, East Rockhill, Hilltown, and West Rockhill.

The Pennridge Community Center is partially funded through the Bucks County Area Agency on Aging, the PA Department on Aging, the Federal Food program, and self-supported projects.

All operational expenses are the responsibility of the Center. The Executive Board, Advisory Board, Center Manager, and Assistant Manager are responsible to pursue all possible sources to generate income.

Mission Statement

The Pennridge Community Center was founded in 1964 as the Upper Bucks Branch of the Bucks County Association of Retired and Senior Citizens. The mission of the original Center was to provide a facility for retired and senior citizens to meet friends and make new acquaintances.

Over the years, the mission has changed to provide for the needs of the senior citizens of the 21st century. The mission has expanded to provide relevant information, services, and activities necessary to assure aging with health, independence, and dignity.

Rentals at the Center

As you know, we have many rentals at the Center. 2017 is no exception. We still have many bookings through the rest of the year. Bookings range from parties to receptions to dances.

For those who may not know, we rent the Legacy Room and the Conference Room. These rentals bring income to the Center, which in turn help fund many classes and activities, and also to help offset the Center's overhead.
